"The first duty of an education is to stir up life, but leave it free to develop."

Maria Montessori

These camps are designed to spark an interest in a child and let them begin to explore the person they may become in a safe home away from home atmosphere. Camps are designed for preschool students and school age children through age 12. Enclosed you will find information regarding each of the *SUMMER CAMPS at the GARDEN*.

Registration begins February 28th. We will begin registration with students and siblings from Garden Gate; we will then open registration to CSA families, then to the public on a first come first serve basis.
